Open an Account

Select account type
To start working an account is required:

To start working, you need a valid trade account. If you don't have it, you can create a demo or real account by selecting the corresponding option below and pressing 'Next':

Existing trade account

Login: 123456789

Password: ●●●●●●●● Save password

Server: ETXCapital-Live Server

New demo account

New real account

< Back Finish Cancel

Spread bets and CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. The percentage of retail accounts lose money when trading spread bets and CFDs with this provider can be found at ETX's website. You should consider whether you understand how spread bets or CFDs work and whether you can afford to take the high risk of losing your money.
